CERTIFICATE OF COMPLETION

This is presented to

Ruben Setiaji

Participated in the workshop entitled
"Empower Your Future with AI & Data Innovation"

Held on 24 February 2026, organized by Zenith Academy

This workshop provided valuable insights and practical understanding of how AI and data can shape smarter decisions in today's digital era. Participants explored AI fundamentals, real-world applications, and hands-on demonstrations designed to strengthen their skills and future career readiness. We extend our congratulations and best wishes for your continued growth and success.
